Advanced Placement (AP) Program

AP classes offer a challenging and stimulating educational experience for college bound students. When compared to other high school courses, AP classes often take more time, require more work, and give greater opportunity for individual growth and accomplishment. In May, AP exams are taken and scored on a 5 point scale. Most major colleges and universities recognize scores of 3, 4, or 5 for college credit. The amount of credit varies by institution. **Clovis High currently offers 17 AP classes.**

- 10th, 11th, and 12th grade students.

AP classes are free, but there is a \$93 fee to take the AP exam.
Financial assistance is available for those who qualify.

Students must indicate interest in AP classes during Registration in the spring.
Most AP classes will have a summer assignment that needs to be completed prior to the first day of school.
