Dear Parents:

Your son or daughter has been identified as a student who registered for Health during the 2018 Summer School Session in Clovis Unified. To ensure a smooth transition for incoming freshmen students, a mandatory face-to-face meeting with parents prior to the start of summer school will be held to discuss the process of Independent Study Summer School as well as to clarify components of the Health Curriculum. It will also be an opportunity for you to meet the Summer School administration.

Two meetings will be held for your convenience. You may attend either one:

Alta Sierra Intermediate School

Date: Thursday, May 17, 2018

Place: Alta Sierra Gymnasium

Time: 6:00 PM

Reyburn Intermediate School

Date: Tuesday, May 15, 2018

Reyburn Gymnasium

Time: 6:00 PM

Independent Study Summer School can be a new experience for both you and your child. Participation for incoming ninth graders means this is the first high school course your child will take and will appear on your child's permanent transcript. It is important that students take this commitment seriously. Hopefully, this meeting will address questions you may have about the summer school process or the curriculum offered.

We look forward to seeing you at one of the meetings. If you have additional questions, please contact Chuck Sandoval at chucksandoval@cusd.com or 327-9085.

Sincerely,

Chuck Sandoval
