GENERAL

Seniors, this is a reminder that the senior portrait submission deadline is **TOMORROW**, Friday, November 22nd by 3:15pm! Those students who opted to have their portrait taken by a personal photographer must submit a physical copy (4x6) by or before the end of school tomorrow to room E-09. Late submissions will not be accepted, no exceptions! See the senior portrait dress code on the CHS website to confirm your picture meets the requirements to avoid any hiccups.

Hello Seniors, it's College and Career Week! If you need help with applications, stop by the Counseling Center - Counselors will be available before school, during lunch, and after school to support you. Two English teachers are also offering after-school sessions to review college essays, so take advantage of this great resource! If you've already submitted your applications, swing by the Counseling Center to fill out a Cougar paw and share your plans for next year, whether it's college, military service, or another exciting path. Grab a treat and let the Clovis High Counseling Team celebrate your next steps with you! If any Seniors have joined or are planning to join the military, come to the Counseling Office and let us know!

Choir is selling red poinsettia plants this holiday season for only \$20! Proceeds will help travel expenses for the CHS Choral program. Pick-up will take place on Tuesday, November 26th from 11:30am-1:30pm in the parking lot at the "U". Order yours today with the QR code displayed on the flyers around campus or contact Ms. Spurgeon in room K-02 for more information.
