(Counselors will need this form before signing off your enrichment application) ● Bring your completed packet to the counseling center to be reviewed and signed. Classes should be filled out before turning in your packet. Once you have turned in your application packet, please allow a processing time of 48 hours for counselors to review, sign, attach your transcript, and email you a copy.
<p style="text-align: center;">Step 5</p> <p>Submitting to the College</p>	<ul style="list-style-type: none"> ● Once you have received the scanned copy from your counselor, YOU are responsible for sending in your application from your personal email. The college will contact you to let you know if you got into the class, or if the class was full and you need to choose another class. YOU are responsible for following up with the Community College if you have any questions.

You can access the live links on this document by visiting <https://chs.cusd.com/EarningCollegeCreditinHighSchool.aspx> and viewing our PowerPoint presentation that was created just for you! We expect students to read through the instructions very carefully before seeking assistance from their High School Counselor. Counselors can assist, but encourage students to be self-sufficient and self-motivated to complete the packet on their own, as they would do so in a true college setting.
