1:30-2:30	Vang-Watt
2:30-3:30	We-Yaa
3:30-4:30	Yan-Z

Items your student will receive:

20-21 ID card, paper copy of class schedule, laptop/ hotspot (if requested through Q parent connect), textbooks for all classes, and expected student activities schedule.

Ways you can help textbook/ technology check out run smooth for your student:

Materials will be distributed by students last name. You must arrive during your assigned time slot.

If you requested technology (laptop or hotspot) during CUSDs Annual Enrollment process, please check your email for the Permission Click Laptop Loan Agreement. The Permission Click will allow you to complete and sign the agreement online.

If the Permission Click Laptop Loan Agreement is not completed prior to the assigned pick up date, a parent/guardian will need to be present to sign the Laptop Loan Agreement before the requested technology can be checked out. If you are requesting technology for more than one student, you must fill out the agreement for each student. (3 computers=3 agreements)

Students are encouraged to bring a backpack/bag to carry their books and technology. Students could potentially be carrying 6 textbooks and a laptop. Please plan accordingly.

While on campus face coverings and social distancing are required.
